

The Foundation of the ASNR

2020 Outstanding Contributions in Research Award

The ASNR Awards Committee is seeking nominations for the **2020 Foundation of the ASNR Outstanding Contributions in Research Award**. The award recipient will be recognized at the President's Appreciation Dinner during the *ASNR 58th Annual Meeting and Foundation of the ASNR Symposium 2020*, taking place May 30th through June 4th at Caesars Palace in Las Vegas.

All ASNR members are encouraged to submit nominations for the **Outstanding Contributions in Research Award**. The Outstanding Contributions in Research Award recognizes consistent excellence and lifelong accomplishment in externally funded research.

Please review the following criteria before forwarding your nomination letters (as an email attachment). The nomination deadline is **Monday, October 21, 2019; 9:00 am Central Time**.

All nominations must be submitted as follows:

-Send all award nominations to Theresa Espinosa (tespinosa@asnr.org)

-On the subject line of the email, please indicate the name of the award, and attach a nomination letter, indicating the nominee's accomplishments;

-If possible, attach the nominee's CV as a Microsoft Word or PDF document. It will be helpful if the nominee's CV is included — providing it does not compromise confidentiality.

Please note: *Confidentiality is essential. Nominees **should not** be notified of his/her nomination.*

Before sending your nominations, please review the purpose and intention of this award, candidate eligibility, and exclusions at <https://www.asnr.org/asnr/about-us/about-asnr-awards/>.
