Applying Comparative Effectiveness and Quality Improvement Research and Education (ACQUIRE)

Radiological Society of North America

The Radiological Society of North America (RSNA), the American Society of Neuroradiology (ASNR) and the Society of Nuclear Medicine and Molecular Imaging (SNMMI) are co-sponsoring an interactive training program in health care delivery, clinical effectiveness and economic evaluation targeted at academic radiologists and radiation oncologists across all career stages to expand the community of radiologic researchers.

Program Dates and Details

- Course duration: October 2025–April 2026
- 1½-day, in-person Workshop I at RSNA headquarters (Oct. 9–10, 2025)
- ¹/₂-day virtual Workshop II (April 2026)
- Introductory track-based online education modules
- Web-based didactic lectures, virtual check-ins and small-group discussions

Learning Objectives

Upon completing the program, participants will be able to:

- Develop new methodological knowledge in health care delivery science, clinical effectiveness research or economic evaluation through web-based didactics and intensive workshops.
- Recognize practical goals and milestones in conducting health care delivery, clinical effectiveness research or economic evaluation.

Registration Deadline: Aug. 15, 2025

Questions:

For additional details and to register go to *RSNA.org/ACQUIRE*.

Who Should Register

The program will support career development for academic radiologists, imaging-related researchers, radiology trainees and research team members (such as masters-level research assistants or analysts in imagers labs).

Available Tracks

- Evidence Synthesis/Quality Improvement
- Observational Research/Health Care Delivery Science
- Economic Evaluation/Decision Science

Specific details of each track can be found on RSNA.org/ACQUIRE.

Registration Fees

- Trainees: \$400
- Members: \$800
- Non-members: \$1000

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Radiological Society of North America (RSNA) and the American Society of Neuroradiology (ASNR), and the Society of Nuclear Medicine and Molecular Imaging (SNMMI). RSNA is accredited by the ACCME to provide continuing medical education for physicians.

Participants are responsible

for all travel-related expenses.

CME Credit Information

This activity has been approved for AMA PRA Category 1 Credit[™].
