

2026 Women in Neuroradiology Leadership Development Scholarship Application

Eligibility: The Award is available to women with an MD degree or DO degree, plus subspecialty certification in Neuroradiology or its equivalent for international candidates.

The focus of this scholarship is to support mid-career women who have some demonstrated experience and promise for future leadership in radiology through administration, education, research, and/or practice. The objectives of the scholarship are to provide the recipient with additional leadership and management skills and insights to enhance their individual opportunities for future advancement.

Applicants must be a member of ASNR, ACR, and AAWR prior to applying for the scholarship.
